

## The French festival of electronic lutherie

**SynthFest France 2026** – 16/17/18/19 April 2026

**Centre de Congrès de la Fleuriaye** – Carquefou

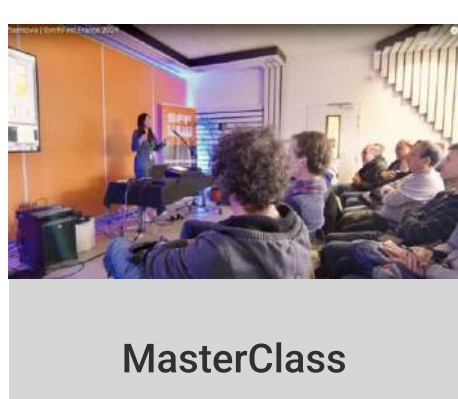

**Exhibitors / B2B** – Thursday, April 16

**Public** – Fri April 17, Sat April 18, Sun April 19

**SynthFest France** is the leading French gathering dedicated to synthesizers and electronic musical instrument manufacturers. Neither a trade show nor a purely musical festival, SynthFest is the meeting place for **synthesizer manufacturers and electronic musical instrument enthusiasts**. SynthFest is held annually in the Nantes region. One day is reserved for professionals, and 3 days are open to the public. With environmental concerns in mind, SynthFest takes place outside the city center at the Fleuriaye Convention Center in Carquefou, which is certified as High Environmental Quality (HQE). Access is available by tram and bus.
